Dear Parents,

May I take this opportunity to welcome you and your child to Clayton North Primary School.

Since its beginnings in 1865, Clayton North Primary School has held a significant place in the social and educational history of this community, and is widely recognised for its inclusive curriculum and its standards of excellence.

At Clayton North we believe that educational development is best fostered in an atmosphere where all students are respected, valued and encouraged and in which high expectations are associated with clear learning goals. The aim at all stages is to develop the whole child and arm them with a range of skills and qualities that will enable them to face the future with confidence. An essential focus of the Clayton North ethos is the discovery of what it is to be oneself, and what we share with one another. An appreciation of empathy, an understanding of cultural differences and spiritual beliefs, and an awakening of a sense of community constitute the essence of education at Clayton North.

I trust that your time here will be a most pleasant one and that it will be a happy and rewarding primary school education for your child.

This booklet contains information that will assist you and your child in the daily procedures of the school. However, please feel free, to contact the school if you have any queries.

We look forward to working with you and your child in the years to come.

Yours sincerely,

Sue Simadri

Principal

SCHOOL PROFILE

Clayton North Primary School is a State Government funded school located in Clayton, Victoria. The location offers access to a selection of Government and private secondary schools and kindergartens. Good community facilities, including recreation parks, are in close proximity.

The architect designed classrooms are complimented by an ongoing ground development program. Students at Clayton North are actively involved in the design and maintenance of all learning areas, adding to the richness of our curriculum.

The school has a proud tradition of service to its community, is responsive to its needs and is known for its commitment to children. The school is also recognised for its sporting achievement and provides a comprehensive program in visual and performing arts.

The *School's Mission* is: 'To provide a safe and secure environment where all students are valued, encouraged, supported, and challenged to reach their potential. This is achieved in a social environment founded on the school's values of: care, acceptance, respect, responsibility, self-reliance, teamwork and honesty.

The *School's Vision* is as follows:

- All staff valued, encouraged, supported, and challenged in their lifelong learning journeys.
- Students and staff finding enjoyment in learning, and the recognition and celebration of achievements.
- Every student supported whilst growing in self-esteem and developing resilience and self reliance.
- Students and teachers, together, will be constantly engaged in analysing their learning situation and developing improvements.
- Staff highly committed to their roles and professional growth.
- Students becoming lifelong learners, developing values, habits and cooperative behaviours that will sustain them long beyond their schooling years.
- Our school enjoying continued success through continual improvement of the efficiency and effectiveness of classroom practice, school leadership and management processes.
- Increasing involvement in the life of the school, by the students, their parents and other supporters of the school system.
- Parents as being highly satisfied, appreciative and supportive of the school.
- Confidence in the school within the wider community.

Teachers offer a wealth of experience and enthusiasm and are proud to be associated with the school. Learning programs which integrate the use of information and communication technologies are designed by teacher teams and enhance the quality of learning in every classroom. Staff demonstrate a commitment to professional learning and willingly accept the challenges of curriculum improvement and the adoption of innovation. Teachers provide exemplary role models through their relationships with colleagues, parents and children.

The Victorian Essential Learning Standards - VELs

The Victorian Essential Learning Standards provide an approach to curriculum from Prep to Year 10 for all Victorian schools. The Standards outline what is important for students to learn and develop during their time at school. They are designed to encourage a deep understanding of essential knowledge, skills and behaviours. The Standards are used by teachers to plan student learning, assess student progress and report to parents.

These programs provide a developmental learning continuum which is supported by a multi-age learning environment throughout the seven years from Preparatory Year to Year 6. Our aim is to provide a learning environment that addresses the needs of all children. Curriculum is developed according to the ability of each student, including the development of individual learning plans and the provision of additional support.

Students are better prepared for learning when they are healthy, safe and happy, therefore, student welfare is the responsibility of all staff working in a whole school context. Student learning cannot be separated from welfare. The school maintains and communicates policies, procedures and programs to promote a harassment-free environment for teaching and learning.

The school places value upon the partnership between home and school, and the relationship between the aspirations of the school and those of the wider community. Parents are invited to work in partnership with staff to enhance students' opportunities through developing greater understanding of, and shared responsibility for children's learning.

SCHOOL COUNCIL

School Council meetings are held twice each school term. The School Council is the major body responsible for the operation of the school. As well as being responsible for determining the general education within the school, the Council is also responsible for all school policy decisions monitoring school finances, minor building and ground works and participation in the selection of the Principal.

Parents are urged to contact either the Principal or School Council members about any matters which are within their power.

Elections are held each year for the Council in February/March, with appointments being made for a two year period. Half the members retire each year.

JUNIOR SCHOOL COUNCIL

The Junior School Council is made up of our student leaders in Grade Six. J.S.C. offers advice to School Council giving the children's point of view and offering suggestions.

SCHOOL HOURS

Bag Bell	8:50am
School Commences	9.00am
Morning Recess	11:00–11:30am
Lunch Recess	1:30-2:30pm
School Dismisses	3:30pm*

Please note: School dismisses at 2.30pm at the end of term.
On the last day of term 4, the last day of the school year, school will dismiss at 1:30pm.

Assemblies are held each Thursday afternoon from 2:40pm.

It is required that children always be punctual for school. 8.45am is the best time, so that they have adequate time to prepare for the day.

The school grounds are supervised by teachers from 8.45am to 9.00am each morning, at recess times, and after school until 3.45pm. Parents are therefore requested to ensure that their children are not in the grounds outside these times.

Lunches are eaten in the classrooms from 1:30–1:45pm under the teacher's supervision.

SCHOOL TERM DATES

Refer to the following website for Victorian school term dates:

<http://www.education.vic.gov.au/about/departments/Pages/datesterm.aspx>

PUNCTUALITY – LATE ARRIVAL

From their first days at school children should be encouraged to acquire the habit of punctuality. Ideally, every child should be at school at least 10 minutes before the start of school.

All late arrivals will be noted and monitored. If you are arriving late it is necessary to report to the school office to collect a late pass which must be given to your child's teacher. Please try to keep late arrivals to a minimum to avoid disruption to the class and your child.

It is the responsibility of each child to respond to the music and subsequent bell and return promptly to the classroom at the end of each recess.

EARLY DISMISSAL

If an occasion occurs when you want to take your child earlier than the normal time, it is required that you go to the office and collect a printed Early Dismissal Card.

Please note no collection of children between 11 – 11:30am and 1.45 – 2.30pm (unless previously arranged with your child's teacher) as this is morning tea/lunch time and the students are out playing and the teachers are having lunch.

If a person other than a parent is calling for the child, the school **must** be notified in writing or by telephone in advance.

OUT OF SCHOOL HOURS CARE PROGRAM

Camp Australia currently runs the After School Care Program. The Programs run from 3:30-6:30pm. The children are provided with afternoon tea and participate in a range of fun activities.

Information regarding enrolment and cost can be obtained from Camp Australia.

Telephone: 1300 105 343

Web: www.campastralia.com.au

Enrolment forms are available at OSHC or the school office.

BREAKFAST CLUB

Breakfast Club operates Monday to Friday commencing at 7:30am until 8:45am (breakfast served until 8:30am). There is no charge for this service but children must be enrolled in the Breakfast Club and emergency details provided. Enrolment forms are available at the school office.

VISITOR'S POLICY

As an extra safeguard for your children, all adults who visit the school are required to register at the office, by signing in using the iPad (passtab app) at the Office and wearing the printed identification sticker for the duration of their visit.

VISITORS REGISTER				
Date	Visitor's Name	Purpose of Visit	Time IN	Time OUT
7/11/09	Matilda Bean	Hearing reading 1/2D	9:30am	10:00am
20/11/09	Bob Smith	Helping Book Fair	2:30pm	3:30pm

It is not intended to have parents register at 9.00am or 3.30pm when dropping off or picking up children, but at all other times it is necessary to do so. This enables both staff and children to readily identify visitors who have permission to be at the school, from those who do not.

Signs are posted around the school requesting visitors to report to the office. Your co-operation with this policy is necessary.

UNIFORM

The wearing of school uniform is compulsory. Our school uniform, in the school colours, may be purchased at PSW Waverley, 342-350 Springvale Road, Glen Waverley (behind Officeworks).

Girls Uniform

Green & white check dress
Bottle green shorts / Orange polo top
Bottle green tunic / Orange polo top
Bottle green trackpants/bootleg pants

The School Council has implemented a SunSmart Policy requiring all children to wear SunSmart hats from the beginning of September through to the end of April.

Please note that only school hats are to be worn.

It is important that all items of school uniform are **named clearly**, especially hats and windcheaters. This enables us to return them to their rightful owners.

Children with pierced ears are required to wear sleepers or studs.
Long, drooping earrings are considered dangerous and inappropriate for school.

Please note that sandals are not permitted to be worn at any time.

Current uniform price list is available from the school office. Check out www.psw.com.au
See further information at the end of this booklet.

SCHOOL REQUIREMENTS

CATEGORIES OF PARENT PAYMENTS

School Councils can request payments from parents for student materials and services charges, and for voluntary financial contributions. These payments fall into two categories:

1. **essential education items** which parents and guardians are required to provide or pay the school to provide for their child (e.g. stationery, text books and school uniforms where required, excursions).
2. **optional extras** which are offered on a user-pays basis and which parents and guardians may choose whether their child accesses or participates in (e.g. school magazines, extra-curricular programs or activities, instrumental music tuition)

ESSENTIAL EDUCATION ITEMS

- **Essential Items Charge**

The amount of **\$255.00** is required to meet the cost of students' individual and class costs including stationery and materials, photocopying, printing and art supplies. These consumable materials will be used by your child daily. They are purchased in bulk by the school at the best possible prices. Payment is required when the students starts school.

- **Excursion Charge**

School Council has approved for excursions to be charged each term. Parents will be invoiced at the end of the previous term. Payment is required at the beginning of each term. (For Term 1, the excursion charge will be invoiced at the start of Term 1 and Term 2's charge will be invoiced at the end of Term1.)

This amount will include costs associated with excursions (e.g. transport and entrance costs, visiting artists and performers) which all students are expected to attend. It will not cover activities such as camps, sport, the swimming program.

Please note Swimming, Zones/District Athletics and Camps are not included in this charge.

OPTIONAL EXTRAS

Programs such as Chess Club, private instrumental music tuition, etc. are offered by external providers. Details regarding payment, etc can be obtained via the School Office.

CAMPING AND SWIMMING PROGRAMS

The cost of these activities are additional to the Essential Items charge and Excursion charge.

All children are expected to attend organised activities as they form a very important part of the educational program. Notices regarding details and permission forms are forwarded home prior to the activity.

ADDITIONAL SCHOOL REQUIREMENTS

Parents are requested to supply the following articles -

1. One art smock - full covering with elastic cuffs.
2. A book bag - (approx. 400 x 300mm) for library books (available from Uniform Shop).
3. Sneakers/runners for Physical Education.

A spare pair of briefs/underpants in a plastic bag (named) for young children may be advisable.

Your child will occasionally misplace clothing at school. To assist in the recovery of windcheaters, jumpers etc., please make sure that your child's belongings are all named.

SCHOOL RECORDS – EMERGENCY FILE

It is essential that our records containing your address, telephone number, emergency contacts etc. **are always kept up to date**. Whenever you have a change of address or change of phone number at home, work or neighbour contact, **please inform the office**.

ABSENCES

If your child is absent due to illness, please notify the school of this absence using the Sentral Parent Portal or phone the school office. Please note that absences on Sentral can only be made on the day of the absence after the classroom roll has been taken (at approx. 9:15am).

If your child is going to be absent for a period of time, e.g. holiday during school term, please come to the school office to complete a form or notify your child's teacher using Seesaw.

Parents who have not notified the school / teacher of their child's absence, will receive an email from the school. It is a Department of Education requirement to notify parents each day regarding unapproved absences.

MONEY AT SCHOOL

Any money brought to school must be placed in an envelope which has the child's name (including family name), grade and excursion or event title written clearly on the envelope. **Please send the correct money.**

Eftpos facilities are available at the School Office. Payments to the school can be done online to the school bank account or Bpay (refer to your family school statement which has the details):

- BSB = 083 001
- Account Number = 231051286

If you are making a payment online, could you please email:

clayton.north.ps@education.vic.gov.au to advise of payment. Could you please include the following information in the email: **Child's name, payment amount and payment description.**

Cheques should be made payable to 'Clayton North Primary School' (unless otherwise notified - eg. Book Club, school photos). If children have extra money for any purpose, it should be handed to the class teacher for safekeeping. We cannot be responsible for money left in bags, tubs or pockets. All monies should be handed to the class teacher first thing in the morning.

JEWELLERY AND VALUABLES

Children should not bring jewellery or other valuable items i.e. iPods etc. to school. The school cannot take responsibility for the loss or damage of such items.

Parents may request their child to have a mobile phone at school. Mobile phones will be in the care of the teacher during school hours.

Refer to page 11 regarding riding bikes and scooters to school and the wearing of helmets. **Please note** – whilst the school has provided bike racks, we do not take responsibility for the security of bikes and scooters brought to school.

NUDE FOOD

We discourage unnecessary food packaging with our 'Take in, Take home' program. We are aiming to leave all unnecessary packaging at home, hoping a 100% litter free recess and lunch time will significantly improve the state of our school grounds and educate our school community.

Please consider trying some of the following:

TRY TO AVOID creating rubbish.

Pack drinks and food in reusable or recyclable containers.

Label containers / drink bottles with your child's name.

Avoid

- Single use plastic bags
- Plastic straws
- Plastic film wrap
- Lollies and potato chips in foil wrappers
- Pre-packaged snack food items packed into throw-away plastic containers
- Individual sauce or sugar packets

These items are not recyclable and easily become litter.

Pack lunches into a :

- Plastic reusable lunch box
- A paper bag which can be recycled
- Pack items such as potato chips into small reusable plastic tubs (buy chips in bulk and pack into a lunch tub as needed)
- Rather than wrap sandwiches in non-recyclable non-reusable plastic wrap (which can become litter), pack sandwiches in a
 - reusable container
 - reusable washable cloth napkins
 - a zip-top plastic sandwich bag that can be reused many times
- Buy drink in bulk (i.e. in a large bottle or container) and use this to fill a small plastic reusable drink bottle for school.

HEALTH & SAFETY

IMMUNISATION CERTIFICATE

Each child enrolling for school must have an immunisation certificate.

By law, you must provide an *Immunisation History Statement* when enrolling your child for the first time or when going to a new primary school.

Immunisation is not compulsory, but a child must have a certificate indicating whether or not the child is immunised. The quickest way to get your child's statement is by using your Medicare online account through myGov mobile app. You can also visit your local Medicare service or request your child's statement to be posted to you by calling the Australian Immunisation Register (AIR) on 1800 653 809.

If your child is not eligible for a Medicare card, then contact your doctor who will be able to assist you in obtaining an Immunisation History statement.

This information identifies unimmunised students who, in the event of an outbreak, will be excluded from school.

Photocopies of child health records, letters from doctors etc., are not acceptable.

HEALTH

Regular attendance at schools is most important. Your child's schooling is of prime importance to us, and unnecessary absenteeism will hinder his or her progress. However, home is the best place for a sick child. It is unfair to other children and teachers to send a child who is obviously unwell to school.

The school does its best to look after children who become ill at school, but our facilities are limited. It is also inadvisable to send back to school a child who is still recovering from an illness.

Please let the school know if your child is -

- Asthmatic
- Diabetic
- Epileptic
- Has an Allergy

PERSONAL CHILD SAFETY

Ensure your child knows his/her full name, address and telephone number.

Instruct him or her in the safest and quickest way to school and home. Parents depositing or picking up children within the school vicinity are reminded to heed the traffic regulations and to proceed with the utmost caution.

Children need to be constantly reminded of the danger of speaking to strangers or accepting rides with them.

We acknowledge the healthy and fun aspects of riding a scooter or bike to school, however they must not be ridden inside the school grounds. This is a safety issue and must be strictly adhered to. Please ensure your child is wearing a helmet. Students will not be allowed to ride to school if a helmet is not worn.

Parents are asked to discuss the **school rules** with their children.

ACCIDENTS AND ILLNESS AT SCHOOL

Minor ailments and injuries are treated at school. However, if the symptoms are more serious, parents will be contacted so that the child may be taken home for treatment.

In an emergency, or where parents cannot be contacted, the child will be taken to a doctor or hospital by teacher's car or ambulance if warranted. Parents are liable for any medical fees involved.

For any head injury you will be contacted to collect your child, as in such circumstances children need to be closely monitored.

PLEASE NOTE: It is vital that the school has your correct emergency contact phone numbers.

HEALTH CHECKS

A nursing sister from the School Medical Service annually screens all prep children and any children referred by class teachers for vision, speech or other related problems.

If your children are ill – the best place for a sick child is at home.

MEDICATION

Please note medicines must be given to the office to administer. No medication will be given without *written* and signed authorisation.

DENTAL SERVICE

The School Dental Service offers a limited dental service to holders of prescribed health benefit cards with a co-payment system.

Phone **1300 360 054** for location of nearest Dental Van.

HEAD LICE

Throughout your child's schooling, the school will be arranging head lice inspections of students. The management of head lice infection works best when all children are involved in our screening program. The school is aware that this can be a sensitive issue and is committed to maintaining student confidentiality and avoiding stigmatisation. The inspections of students will be conducted by a trained person approved by the principal and school council.

Please note that health regulations require that where a child has head lice, that child should not return to school until appropriate treatment has commenced.

COMMUNICATION

SEESAW

We believe that learning is a partnership between home and school. Seesaw helps parents keep up to date with what children are learning and it helps staff celebrate the amazing journey that happens in the classroom. You can also communicate with your child's teacher using Seesaw. When your child starts school, you will be provided with logon details including username and password.

NEWSLETTER

Our school newsletter is published each fortnight and posted to our school website. An email is sent to families notifying them of the latest newsletter post.

The newsletter is the official journal of the school, containing important notices and items of interest from classes, specialist teachers, parent and the community. By reading your newsletter, you will be kept informed of many activities and developments in the school as they happen.

NOTICES – COMMUNICATION BOOK - DIARY

Other notices regarding special events, activities or excursions for specific grades are forwarded home as required. It is a good idea to check children's school bags / home book regularly. Parents are asked to ensure that when replies are requested this is done promptly.

INTERVIEWS/CONFERENCES AND REPORTS

Formal parent/teacher contact is arranged during the year. These interview/conferences give you a chance to discuss your child's progress with the class teacher with your child present. However, if any particular problem arises and you wish to discuss this with your child's teacher or the Principal you are most welcome to do so at any time. It is necessary to first ring the office to make an appointment in order to avoid unnecessary interruption to the class and to avoid door-way parent/teacher discussions which are rarely constructive.

Individual written progress reports are prepared in June and December.

There is an open invitation to contact the Principal at any time on any matter of concern. A grumble to a neighbour or friend rarely achieves anything. Please contact the Principal to ensure the matter is dealt with properly.

You are also welcome to contact any of the elected parent representatives on School Council if you prefer.

SENTRAL

At Clayton North PS we use the Sentral Parent Portal to arrange all parent/teacher interviews and to distribute digital copies of student reports. It is very important that all parents set up their Sentral Parent Portal and keep the login details available for when they're needed.

To register for the portal for the first time, go to:

<https://sentral.claytonnorthps.vic.edu.au/portal/register> and use the family key provided to you by the school office staff.

After registering, login to Sentral at: <https://sentral.claytonnorthps.vic.edu.au/portal/login>

Interviews/Conferences and Reports

- Formal parent/teacher contact is arranged during the year using the Sentral Parent Portal.
- Individual written progress reports are prepared in July and December. These reports can be accessed online through the Sentral Parent Portal and old reports can be printed or viewed at any time.

INFORMATION NIGHTS

Throughout the year special nights are held to inform parents about various aspects of the curriculum. These nights are always well advertised in the newsletter. Parents are urged to attend these sessions.

GENERAL INFORMATION

SOCIAL SERVICE

The school raises money for various charities each year. These may include Royal Children's Hospital, State Schools Relief, etc. Badges are sold at specific times throughout the year supporting the local RSL branch - for Anzac Day, Legacy and Remembrance Day.

LOST PROPERTY

Unfortunately children tend to misplace hats, windcheaters, jumpers and other items of clothing at school.

Unnamed articles of clothing are placed in the lost property basket located in the Parent's Room. To assist in the recovery of your child's clothing please make sure all items are **clearly** marked with your child's name.

SCHOOL PHOTOGRAPHS

Class photographs are taken each year. The offer is available for family group photographs to be taken. The school uses a pre-pay system where parents order and pay online for the photos prior to the day.

HOT AND WET DAY PROGRAMS

During light showers or extreme heat there is adequate undercover areas available to students. However, there are many occasions when alternative arrangements are necessary because of wet weather or high temperatures. When this does occur, the children remain in their classrooms under supervision.

Normal dismissal times still prevail.

BOOK CLUB

The school acts as an agent for a publishing firm who offer paperbacks at reasonable rates. Catalogues are distributed approximately every six weeks. Orders are done on line by parents and books are sent to the school and distributed to the students approximately three weeks later. There is no obligation to buy.

CAMPS AND EXCURSIONS - SWIMMING

Excursions and incursions are held at each year level and vary from walks within the local community to bus trips further afield. These activities are an important part of the educational program and all children are expected to participate.

A camping program is conducted for years 3-4 and 5-6 every year.

*Payment for the Camping Program is **not** included in the Excursion charge.*

An extensive swimming program is organised each year. This is a **compulsory** program and all students are expected to participate. Swimming is invoiced separately.

Before excursions, notification appears in the newsletter, Seesaw and special forms are sent home. Your prompt return of these forms is appreciated. **No child is allowed to participate in an excursion without payment of the Excursion charge by the due date and the written approval of a parent.** Invoices for excursions are sent out at the end of each term for the following term.

HOUSE SYSTEM

All students are allocated to one of the following Houses:

Freeman

Dunlop

Wood

Namatjira

Allocation depends on older siblings or numbers at each year level. Friendly competition is encouraged through activities such as sport events, academic and fund raising programs.

One House Badge is supplied as part of enrolment. Additional badges are available from the School Office for a cost of \$1.50 per badge. These badges should be sewn onto your child's jacket, polo top or dress.

PARENT INVOLVEMENT

The school considers it of paramount importance that parents be involved in their child's education. This involvement is of significant benefit to not only your child but also the school as a whole. Parents are encouraged to become involved in any or all of the following areas:

SCHOOL COUNCIL

The School Council is an elected body of parents and teachers who make decisions about School Policy and organisation.

Information relating to School Council can be obtained from the Principal.

CLASSROOMS

Teachers often require parents to help in the classroom or with special activities. Help can vary from assisting the class by hearing reading, helping with cooking or accompanying the class on an excursion.

GENERAL ASSISTANCE

During the year parents will be asked to give their time and lend willing hands to various tasks. We ask parents to respond to these requests for assistance as help is always needed for -

Fundraising activities.
Working Bee.

We look forward to working with you and your children in the years to come.

MAKING YOUR SCHOOL LOOK GREAT

CORRECT UNIFORM FOR GIRLS:

TIGHTS can be worn in white grey or green ONLY.

These are 'LEGGINGS' and NOT part of the school uniform. Students will be asked to remove them.

Shorts can be worn BUT must not be seen under a dress. Shorts can be worn with school polo tops.

Hair ties and bands need to be white, gold, green, orange, or black ONLY. Please do not allow you daughter to wear any other colour as they will be asked to remove the incorrect coloured hair tie.

Why immunise?

Children starting school are exposed to a large number of people and to a range of potentially dangerous diseases.

Immunisation is a proven and safe way to be protected against diseases that may cause serious illness and sometimes death.

Enrolling in primary school is a good time to check your child's immunisations are up to date.

What is an *Immunisation History Statement*?

It is a statement from the Australian Immunisation Register (AIR) that shows what vaccines your child has received.

By law, you must provide an *Immunisation History Statement* to the primary school when enrolling your child for the first time or when going to a new primary school.

If your child has not received any immunisations, you must still provide an *Immunisation History Statement*, which states no vaccines have been given.

What is the statement used for?

To keep children safe. In the event of a disease outbreak, unimmunised children can be quickly identified and excluded from school until the risk of infection has passed. For further information search 'school exclusion table' on www.health.vic.gov.au

If you do not provide an *Immunisation History Statement* to the school, your child may be excluded from school during a disease outbreak because their immunisation status will be unknown.

By law, all parents must provide an *Immunisation History Statement* to enrol their child in primary school.

How do I obtain an *Immunisation History Statement*?

The quickest way to get your child's statement is by using your Medicare online account through myGov or Express Plus Medicare mobile app.

You can also visit your local Medicare service centre or request for your child's statement to be posted to you by calling the AIR enquiries line on 1800 653 809. It can take 14 days to get your statement in the post.

If you think your child's *Immunisation History Statement* is incomplete or incorrect, contact your immunisation provider.
